Dear Mrs. Manley:

I am in receipt of your letter of March 21st in which you state that you have heard nothing for Welch or myself. I wrote you March 20th and I am sure you have my letter by this time.

It has been impossible for me to book any games in Mobile or Montgomery Ala. as I have been unable to get their schedule, I am making an effort to get this in a day or two and at this time I will let you know what can be done about dates of the 27th and thereabout. We play in Birmingham on the 20th and I would rather not make the jump back to Pine Bluff for the 27th if we could get in some spot nearer to Birmingham and Florida which would be better for both of us. Atlanta is not open on the 27th but even if it were there is no money to be made there. Columbus, Ga. is a good spot but I cant get in touch with the man there that would handle the game.

Would it suit you to play a game in Louisville on your way north? This could be booked after the 4th date and would be right on your way home, I am also working on the 5th for Gadsden or Anniston, Ala. but have heard nothing to date.

You will hear from me again as soon as I get something definite about the schedules.

Yours very truly,
